

Tape extender

TL-TE Series

Description :

this splice tape is used for jointing carrier tapes in the SMT proces, it is made of yellow tapes and released paper.

The tape is made by our produced patent material with superior adhesion

P/N	Size	Carrier tape	Qty/box
TL-TE04	2.5x396mm	4mm	500 pcs/box
TL-TE0812	7x396mm	8-12mm	500 pcs/box
TL-TE16	9x396mm	16mm	500 pcs/box
TL-TE24	18x396mm	24mm	250 pcs/box
TL-TE32	25x396mm	32mm	250 pcs/box

Structure :

	PET
	deep yellow tape
	Release liner

Technical data:

Peeling off force (N/25mm) by angle of 180°	>=15
Retaining (H/25x25mm) Hours	>100
Tensile strenght at break (N/25mm) PET Part	>8

Storage condition:

Temperature:	20°C - 30°C
Relative Humidity (RH):	45% - 65%
Shelf live:	One year
